Re: Acknowledgment of Notification and Registration of Hazardous Waste Activity

Dear Generator:

This is to acknowledge that you have filed hazardous waste activity forms for the installation located at the address shown in the box below to comply with Section 260.380 of the Missouri Hazardous Waste Management Law and Section 3010 of the Resource Conservation and Recovery Act (RCRA). The identification numbers must be included on all hazardous waste manifest documents for transporting hazardous wastes; on all reports that generators of hazardous waste are required to maintain, and reports that owners and operators of hazardous waste treatment, storage and disposal facilities must file with the State of Missouri and the Federal EPA; on all applications for a state and federal hazardous waste permit; and other required hazardous waste management reports and documents.

Installation

Weldon Spring Chemical Plt

Site Address

Highway 94  
Weldon Spring MO

Missouri Generator  
I.D. Number
