Regarding: Weldon Springs Quarry System
Your Letter Dated October 4, 1991

Dear Ms. Rothman-Serot:

A reply was sent to Ms. Drey on September 30, 1991. As she will determine from our reply, Hydro-Pure does not have the final say as to the discharge of waters from this plant.

We appreciate your concerns but we can only design a system for which MK Ferguson has requested and approved. The operation and monitoring of the waste and treated waters from this plant are not under our scope of responsibility. MK Ferguson should be contacted in regard to the operations and discharges.

If you have any questions, please do not hesitate to contact us.

Very truly yours,

HYDRO-PURE SYSTEMS CO
